### Media Coverage:

Noel Rollon's Mazda is featured in the February 2004 issue of Max Power magazine.

### Promotion:

The All-Stars are signed up to do 12 "Performance Style Road shows" where they will promote for EBC brakes at numerous Pep Boys stores. In addition to the All-Star team members attending these events, the models will also be available to sign calendars and posters.

### News

The All-Stars new improved website is constantly being improved thanks to the dedication of team member Rod Lawrence. The following features have been added:

Chat room:

<http://www.teamallstars.com/home.htm>

Email members group:

[Members@teamallstars.com](mailto:Members@teamallstars.com)

General information about the email group is at:

[http://teamallstars.com/mailman/listinfo/members\\_teamallstars.com](http://teamallstars.com/mailman/listinfo/members_teamallstars.com)

These additions are all helping in the teams overall communications abilities. Being that the All-Stars are a true international team, having these methods enables everyone to stay well in contact with each other and our sponsors.

### Models

Make sure you check out [www.teamallstars.com](http://www.teamallstars.com) for models also! The model section is always being updated with new pictures from our models all over the country.

### Shows:

World Of Wheels,  
Kansas City  
Feb 13-15

NHRA California  
Speedway Fontana  
March 13-14

### West Coast

Noel Rollon took Mazda Showoff at Pomona for Import Showoff.

### East Coast

Ron Nekula and his Jeep took home first in his class and best engine for the fourth year straight at the USAC finals.

During the winter months many east coast cars go into the shop to be re-done for the new season. This is true for members Kevin Gattens and his Mazda and Eddie Habeck's Toyota. Winter transformations help keep the cars fresh so they never go out of style. And style is something the team always has plenty.
