Allstars Civic takes 3rd Place at SCCA Solo Nationals in Topeka, Kansas

Drivers: Stephen Yeoh and Jason Flores

Monday, September 22, 2008
Topeka, KS

In the culmination of an amazing year in racing, the Allstars Civic Team took on the best of the best in America at the SCCA Solo Nationals in Topeka, Kansas. When the tire smoke settled, our team had captured the 3rd place trophy. Overall, it was a great event for all of our sponsors, our car and our team as a whole. It was definitely a challenging week, being the first time our team has gone to an event of this magnitude. Going in, we felt that we had done our best in preparing both our drivers and our car for success, and the results show that we have a winning strategy. We look forward to campaigning the Allstars Civic again in 2009 and hope that, with the support of our sponsors and our drivers, we can find similar success.

See you next time at the track and visit us at yeohbaby.blogspot.com
