## Allstars at the San Diego International Auto Show 2010

### Monday, January 4, 2010 Allstars Shine in San Diego

The International Allstars attended its third San Diego International Autoshow this past weekend, some of the hottest show vehicles in the country. Once again, our partners and sponsors made this year's event a big hit. Some highlights of the event came out of the Allstars' beatbox performance on stage and the bikini contest hosted by members of the International Allstars and Jennifer Ancheta, Director of the Marketing Queens.

We had plenty of giveaways on stage from our sponsors--Bridgestone, Mazda, Lucas Oil, Odyssey and Pioneer DJ. Show-goers loved the swag and it really brought excitement to the crowd. The Allstars had its very own DJ One, spinning throughout the weekend. We had three Marketing Queens working the event all day Saturday, featuring the fresh new face of Miyra Gonzales!

Partners like 5Zigen, Bomex, Eibach, Mazda and Rally Innovations helped display great vehicles and products, entertaining the crowd every day of the show. Extreme Autofest & ShiftR really put on a great event, and we want to thank them for all of their support to the International Allstars over the years.

Team Allstars would like to wish everyone a happy New Year. We hope you enjoy the event coverage by our very own staff photographer, Jason Flores from eye2eyephoto. Keep an eye out for future events and news on [www.teamallstars.com](http://www.teamallstars.com).
